# Remington Park Oklahoma Bred Futurity Race Conditions

**1. ELIGIBLE HORSES. Only Accredited Oklahoma-Bred** Quarter Horse foals of 2009 which are registered with American Quarter Horse Association are eligible to enter the race. ***A COPY OF THE REGISTRATION PAPERS SHOULD BE PROVIDED prior to February 15.*** No refunds will be made for nomination and sustaining payments paid for a horse that is ineligible to be accredited or which is eligible but has not been properly accredited prior to running of the trials except that any horse originally nominated by October 15 that is determined ineligible for accreditation will receive a refund of the original nomination fee if OQHRA is notified prior to the due date for the second payment deadline that the horse was determined ineligible to be accredited as an Oklahoma Bred racehorse.

**2. ADDED MONEY AND PURSE DISTRIBUTION:** The NET PURSE for the 2011 FUTURITY will include all nomination fees, sustaining fees, late fees, and supplemental nomination fees less 10% of the foregoing for advertising, accounting, and administrative expenses plus $200,000 added from Horsemen's Purse Funds and plus $125,000 added to purse from Oklahoma Breeding Development Fund for Quarter Horses less $5,000 per trial from Oklahoma Breeding Development Funds that will be included in the total purse for each trial race. FUTURITY TRIAL PURSES will total $15,000 per race which includes $10,000 from the Horsemen's Purse Funds and $5,000 from the Oklahoma Breeding Development Funds. 2011 JUVENILE PURSE of $100,000 will be paid from Horsemen's Purse Funds. Trial purse money paid by Remington Park will be distributed in the same manner as overnight races during the meet. The additional $5,000 of Oklahoma Bred Funds for each trial will pay five places (60%, 20%, 11%, 6%, and 3%). The remainder of the Oklahoma Bred Funds for the Futurity Final will pay places using the same purse distribution formula as used by the track for the Futurity Final and the Juvenile. All Oklahoma Breeding Development Funds for trials and Final will be distributed by the Oklahoma Horse Racing Commission. Remaining balance of Net Purse will be distributed by the Horsemen's Bookkeeper at Remington Park. Futurity Final and Juvenile purse money distributed by track and the OHRC will pay 10 places using the following formula: 40%, 17%, 11%, 9%, 7%, 5%, 4%, 3%, 2%, 2%.

**3. PAYMENTS.** Except as provided herein, the failure to make all payments on or before the designated dates will result in a termination of the nomination and all prior nominating and sustaining payments will be forfeited. All payments must be postmarked no later than the due date and should be sent by registered or certified mail. The sender's receipt must be date stamped by the United States Postal Service and presented as proof of mailing if date discrepancies occur. Postage metered dates will not be accepted if payments are not received by the due date. United States Postal Service date stamped metered mail will constitute evidence of mailing if dated, mailed, and stamped on or before due date. All returned checks constitute no payment. In the event a sustaining payment is late (the "Late Payment"), a nomination of the Eligible Horse will not be terminated if, on or before the due date of the next immediate sustaining payment (or the entry date if the Late Payment is the last sustaining payment), the person nominating the Eligible Horse pays (a) such next sustaining payment; (b) the Late Payment; and (c) an additional amount equal to the Late Payment. The foregoing provision will not apply to consecutive sustaining payments.

**4. SUPPLEMENTARY NOMINATIONS.** Late Supplemental Entry for Eligible Horses will be permitted prior to trial entry on payment of $25,000.00 by cashier's check or other immediately available funds.

**5. ENTRY.** Entries in all races must be made through the entry box at Remington Park Racing Office by closing time for entries in that race. Nominations to the race do not guarantee the availability of stalls at Remington Park Race Track for nominated horses.

**6. TIME TRIALS:** In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in time trials will be determined only to the limit of the timer, the only exception is when two or more horses have the same exact time in the same trial heat. Then the order of finish shall also determine the preference in qualifying or the finals. Should two or more trial contestants have the same qualifying time to the limit of the electronic timer for the final qualifying position or positions, then draw by random lot shall be conducted as directed by the board of stewards. Except in the case of a disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish. Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one hundredth (1/100) of a second, or to the maximum accuracy of the electronic timing devise. No adjustments shall be made in the times recorded in the time trials to account for head wind, tail wind, off-track, etc. In the event of a timer malfunction of a trial race, the Stewards will use the technological aide of video frame by frame analysis to assign times to each participating horse in that trial.

**6. FINALS.** The finalists for the Futurity will be determined by taking the ten (10) fastest times from all the trials. If the number of time trial entries is sufficient as to cause the track to schedule two days of time trials, the five fastest qualifiers from each day will advance to the final. The finals will consist of a field of no more than ten (10) horses. In the event ten (10) or fewer horses are eligible prior to the trials, participation in the trials will not be required to qualify for the finals. OQHRA may determine that In the event not more than 12 horses are eligible to enter trials, there may be no trials and a 12 horse gate may be used for the finals with the 11$^{th}$ and 12$^{th}$ place horses receiving no money. Horses running in trials which do not qualify with one of the 10 fastest times to the Futurity Final will be preferred for entry in the Juvenile with preference for fastest non-qualifying times. No purse money will be paid to Juvenile entries that are scratched for any reason prior to running of the Juvenile.

**6. SCRATCHES.** If a horse is ruled ineligible by the stewards or the Oklahoma Horse Racing Commission for entry into any of the races or if the stewards scratch or disqualify a horse from any race described herein for a rule violation, such horse will be ineligible for receipt of any purse money. After the entry date for the finals, the purse money that might have been due to such horse will be divided proportionately (based on purse percentages) among the other starters in such race. If, after the entry date for such race, one or more horses are withdrawn from the final for any reason other than ineligibility or a rule violation, the purse monies (in inverse order of finish) equal to the number of withdrawn horses for such race will be distributed equally to the owners of the horses withdrawn from such final. If, prior to the entry date for the final a horse is ruled ineligible for the final as provided above, the next eligible horse may be entered in such race.

**7. OTHER CONDITIONS:** The Oklahoma Quarter Horse Racing Association ("OQHRA") reserves the right to reschedule, postpone or cancel the race for any reason that it deems sufficient. Any nomination to the race may be refused without liability by OQHRA for any reason at any time prior to the actual running of the final race. If the race is canceled, all nominating and sustaining payments theretofore paid, less the amounts deducted for advertising, accounting, and administrative expenses, will be refunded.

**8. CHANGE OF ADDRESS.** The owner of a horse nominated to the race is responsible for notifying OQHRA of the sale of a horse nominated to the race or of a change in the owner's address.

**9. SPONSOR.** The race is sponsored by OQHRA. All disputes as to the eligibility to participate in the race will be determined in the sole discretion of OQHRA and the decision of OQHRA will be absolute, final and binding.

**10. RACING RULES.** The race dates, conditions, and added money are subject to approval by OQHRA, Remington Park, and the Oklahoma Horse Racing Commission. The decision of the stewards or the Oklahoma Horse Racing Commission in all matters under their jurisdiction will be final. Nominations are accepted only on the condition that those persons nominating or starting a horse in the trials, or the finals agree to abide by these race conditions, the rules and regulations promulgated by Remington Park, the Oklahoma Horse Racing Commission Rules of Racing (Pari-mutuel), and all other rules, regulations and conditions promulgated by the Oklahoma Horse Racing Commission or any other applicable governmental authority or the race sponsor.
