

# 2025 May

**NEW FOR 2025 – A hair test is good for the current meet, only. Results of a negative hair test must be on file for the current meet before a horse can ENTER a race. Qualifier testing is still a requirement if it is in the conditions of the race. Must allow up to 10 business days for test results to be returned - no exceptions and no rush fees. Qualifiers for futurities and derbies will still have "Qualifier Testing" on a specific day for that specific race - see calendar.**
