A sincere thank you to all horsemen for your participation here this season. The last day of morning training is now Monday, November 14. All horses must be off the grounds for winter closure by Friday, November 25 at 5:00pm.

Paddock tardiness affects everyone and is unacceptable. Please prepare responsibly and arrive to saddle promptly. Trainers are to take responsibility for the saddling of their own horses, or report to the stewards in the event an assistant or proxy is to be used.

Stall privileges at WRD are non-transferrable. Any trainer found to be farming out the stalls assigned to them without communication with the racing secretary is subject to lose all stall privileges without notice. Trainers without stall privileges are to ship in to their assigned space in the haul-in barn with in-today runners for pre-race veterinary inspections, without exception, or be subject to sanctions. Let the stall superintendent know at once if you desire an alternative stabling plan prior to shipping in to WRD.

Attention Trainers: Please check the past performances (available in the racing office) on entry days to ensure that your horses have been entered properly. Corrections to ownership, equipment, medication, weights, etc. can be made prior to the program going final. Thank you for your cooperation.

NEW THIS FALL - phone in to the post position draw on Thursdays and Fridays by calling (415) 655-0001 and entering access code 24624909321## when prompted. Please mute cell phones to eliminate background noise until asked for representation.

Text the keyword "mixedmeet" (all lowercase) to 8888466445 to sign up for the free text alert system, including race counts, stakes nomination closings and other information.

Horsemen wishing to haul in for workouts on race days or arrive with horses that are not "in-today" are to contact the stall superintendent (918) 633-2463 in advance for accommodations or stall space. Trainers are prohibited from taking up occupancy with non in-today horses in the haul-in barn without prior notice or approval. Trainers should be prepared to work-and-go in the event stall space is not available.

Please take note of our official workout policy. Workout cards must be filled out in order to receive an official workout time for each and every horse at WRD, no exceptions. Please pick up workout cards ahead of time from the racing office, clocker or gap attendant. Thank you for your cooperation.

Attention All Trainers: Race day vet checks will begin at 7:00 a.m. at Barn D and continue down to the lower barns. Trainers with assigned stalls must have in-today horses on the grounds at the time the veterinarian arrives at their barn for inspections. Trainers who fail to meet these requirements may be reported to the stewards or subject to a fine. Horses that have been inspected are not to leave the grounds until after race time.

Trainers who successfully claim a horse must arrange for a properly licensed employee to report IMMEDIATELY to the test barn to pick up the horse or be subject to a fine.

Please be reminded that vehicles on the backstretch must always yield to horses - no exceptions. Also help us keep the backside roads in tact by minding the 15 MPH speed limit. There is no parking on the roadway between barns on race days. Thank you for your cooperation.

Pony horses are not permitted inside the winners' circle.

No training is allowed on the training track after the main track has closed for morning training.

All racing quarter horses, paints and appaloosas entering the facility shall have proof of a negative piroplasmosis test (T.EQUI) within twelve (12) months (pony horses exempt).
