www.cherokeecasino.com WELCOME ALL HORSEMEN TO WILL ROGERS DOWNS. The Racing Secretary is best contacted via email at ilies@exposquare.com or at (918) 283-8815 during appropriate business hours. Our racing office staff is here to assist you in any way possible. The office will be dark on Fridays and Saturdays, please plan accordingly. Thank you for your contribution to Oklahoma horse racing. ATTENTION TRAINERS: Enter online and manage your stable with the Interactive Racing Office, provided by Incompass Solutions and The Jockey Club. Sign up for free access to this self-guided website using an email address that you monitor frequently: https://interactive.trkmgr.com. Trainers can enter days in advance and help alleviate office phone traffic by using this free service. Thank you. UPDATED: phone in to the post-position draw by calling (945) 468-5504 and entering access code 982 318 053 # when prompted. Please mute cell phones to eliminate background noise until asked for representation. ATTENTION TRAINERS: Please check the past performances (available in the racing office) on entry days to ensure that your horses have been entered properly. Corrections to ownership, equipment, medication, weights, etc. can be made prior to the program going final. Thank you for your cooperation. ATTENTION TRAINERS: Mandatory race-day veterinary inspections will begin at 7:00 a.m. at Barn D and continue down to the lower barns. Trainers with assigned stalls must have in-today horses on the grounds at the time the vet arrives at their barn. All haul-ins must be in place in the haul-in barn two hours before first post (10:00am). Only haul-in horses will be examined in the haul-in barn. Trainers that plan to ship into a barn other than the haul-in barn must plan with the stall superintendent on the day of entry. Horses that have been inspected are not to leave the grounds until after race time. Thank you. Stall privileges at WRD are non-transferrable and may be revoked without notice. Trainers without stall privileges are to ship into their assigned space in the haul-in barn with in-today runners for pre-race veterinary inspections no later than two hours before first post (10:00am) and let the stall superintendent know on the day of entry if you desire an alternative stabling plan prior to shipping in to WRD. **************************** Weather permitting, current training hours are 7:00am - 10:00am, gates from 7:30am -9:30am. The track is closed Wednesday and no gates Thursday. No training is allowed on the training track at any time unless the main track is closed and there are emts and outriders present on the training track. Workout cards must be filled out to receive an official workout time at WRD. Please pick up workout cards ahead of time from the racing office, clocker, or gap attendant. Thank you for your cooperation. Horsemen wishing to haul in for workouts on race days or arrive with horses that are not "in-today" are to contact the stall superintendent (918) 633-2463 in advance for accommodations or stall space. Trainers are prohibited from taking up occupancy with non in-today horses in the haul-in barn (i) without approval. We will only open ten (10) stalls for workers in that barn at any time on race days, and twelve (12) stalls in Barn E. Trainers should be prepared to work-and-go. ATTENTION TRAINERS: you must tell the starter that you are bringing a horse to stand at the gates for the purpose of getting off the starter's list to do so. Thank you for your cooperation. PADDOCK TARDINESS AFFECTS EVERYONE AND IS UNACCEPTABLE. PLEASE PREPARE RESPONSIBLY AND ARRIVE TO SADDLE PROMPTLY, TRAINERS ARE TO TAKE RESPONSIBILITY FOR THE SADDLING OF THEIR OWN HORSES, OR REPORT TO THE STEWARDS IN THE EVENT AN ASSISTANT OR PROXY IS TO BE USED. Pony horses are allowed in the saddling paddock only with prior approval from the paddock judge and are never permitted inside the winners' circle. Please be reminded that vehicles on the backstretch must always yield to horses - no exceptions. Also help us keep the backside roads intact by minding the 15 MPH speed limit. There is no parking on the roadway between barns on race days. Thank you for
