2021 Oklahoma Futurity and Derby

RACE CONDITIONS:

Added Money and Conditions Subject to OHRC Approval

In addition to Paragraph 2 of these Race Conditions and as a condition for participation in this race, all horses nominated to OQHRA Administered futurities or derbies may be subject to substance testing by the OHRC. Any prohibited medication positives may result in loss of eligibility to participate in trials or finals as determined by OHRC Stewards. If pre-race examination or substance testing prior to or following a race is refused by owner or trainer of eligible horse and results in the horse being ineligible to participate there will be no refund of payments. **Eligible participants will be required to comply with a requirement for hair testing prior to entry if such requirement is imposed by the racetrack and approved by the OHRC.**

- 1. ELIGIBLE HORSES:** Quarter Horses, born in 2018 for Derby or 2019 for Futurity, who are registered with American Quarter Horse Association and which are owned or nominated by owners who agree to the special terms of Paragraph 2. Substance Testing, are the only horses eligible to enter the race. An owner may nominate as many horses as desired. If one or more nominations are withdrawn prior to the running of the trials, it is the owner's responsibility to specify which horses are being withdrawn and which horses are to remain eligible when making payments. Either copy of the registration certificate or the application for registration must be provided by the owner/nominator no later than the due date for the January payment if the horse remains eligible.
- 2. SUBSTANCE TESTING:** As a condition for participation in this race, all horses nominated to OQHRA administered futurities or derbies will be subject to substance testing by the OHRC. In addition to the pre-entry hair testing requirement by Remington Park, every entry for the trials in this race will be required to have a negative hair test for prohibited substances in accordance with the same pre-entry hair test requirements implemented by Remington Park that was collected within 45 days of the trials for this race. Additionally the owner of the top 30 qualifiers for this race, based on the trial times, agree that they MAY be required to provide a negative hair test for prohibited substances, in accordance with the same pre-entry hair test requirements implemented by Remington Park, after the trials and before the final for this race. A positive report for any prohibited substance will result in loss of eligibility to participate in trials or finals as determined by OHRC Stewards.

By submitting a signed nomination form for this race, the undersigned, by or on behalf of the owner of the nominated horse, the owner's agents and representatives, and the owner's heirs and assigns (including any future owner of the nominated horse) agrees to be subject to and abide by the results of the initial (commonly referred to as the "sample A test") hair testing of the nominated horse and voluntarily and irrevocably waives the following:

- A. Any and all rights to have a secondary or split sample tested,
- B. Any and all rights to a hearing (whether formal, informal, by written submission or in-person) to contest the results of the initial test or the resulting denial of entry in the race, whether a qualifying race or final race,
- C. Any and all rights to contest, under any circumstances or grounds, the results of the initial test or the resulting denial of entry in the race, whether a qualifying race or final race,
- D. Any and all rights to challenge the results of the initial test or resulting denial of entry in the race, whether a qualifying race or final race, directly or indirectly, before any court or other tribunal; and
- E. By their entry into the race, all participants irrevocably waive any legal claim they might have against OQHRA, its officers, executive committee members, or its employees arising from or related to the hair testing which is the subject of this paragraph.
- F. A report of the result of an un-official test submitted as a requirement of eligibility for entry is not admissible for any purpose in any OHRC proceeding arising from a positive report of an official test administered by OHRC.

Test results will be reported to the host track officials and notification of positives will be sent to the owner and trainer of the nominated horse. OQHRA will send a list to the racing office of the host racetrack for the specific race(s) to notify them of horses that are eligible to enter races based on the results of hair tests.

In the event testing of all horses as specified in this paragraph is not performed due to unforeseen circumstances, the Substance Testing fees will be added to the Net Purse for the final.

3. **PURSE:** The Net Purse will consist of all nomination fees, sustaining fees, late fees, and any funds remaining from Substance Testing Fee after payments for identification, collection, shipping, and testing plus the Added Money (the "Gross Purse"), less \$10,000 for nominator awards and \$10,000 for breeder awards and 13 % of the Nomination Payments for administrative and advertising expenses. Finals purse, Nominator, and Breeder Awards will pay 10 places (40-17-11-9-7-5-4-3-2-2%). Non-sponsor Added Money for each race will be provided by racetrack Horsemen's Purse Account allocation for stakes races. The winner of the final will receive (a blanket, and trophy buckles will be awarded to the winning owner, trainer, and rider.) Interest earned, if any on the escrowed purse funds after payment of any bank service fees will go to the race administrator. In the event payment is made by Credit card, payments will include an added 3.5% convenience fee.
4. **PAYMENTS:** Except as provided herein, the failure to make all payments on or before the designated dates will result in a termination of the nomination and all prior nominating and sustaining payments will be forfeited. All payments must be postmarked no later than the due date and should be sent by registered or certified mail. The sender's receipt must be date stamped by the United States Postal Service and presented as proof of mailing if date discrepancies occur. Postage metered dates will not be accepted if payments are not received by the due date. United States Postal Service date stamped metered mail will constitute evidence of mailing if dated, mailed, and stamped on or before due date. All returned checks constitute no payment. In the event a sustaining payment is late (the "Late Payment"), a nomination of the Eligible Horse will not be terminated if, on or before the due date of the next immediate sustaining payment (or the entry date if the Late Payment is the last sustaining payment), the person nominating the Eligible Horse pays (a) such next sustaining payment; (b) the Late Payment; and (c) an additional amount equal to the Late Payment. The foregoing provision will not apply to consecutive sustaining payments. The initial nomination payment by each eligible horse must be accompanied by an additional fee for Substance Testing. The substance testing fee is non-refundable once a horse is nominated to the race.
5. **SUPPLEMENTARY NOMINATIONS:** No Late Nominations or supplemental nominations will be accepted after the due date for the January payment. Payment must be made at time of supplemental nomination either by cashier's check or other immediately available funds and must include the Substance Testing Fee. There will be no time of entry late supplement to these races.
6. **ENTRY:** Entries in all races must be made through the entry box at Remington Park Racing Office by closing time for entries in that race. Nominations to the race do not guarantee the availability of stalls at Race Track for nominated horses. In accordance with OHRC 325:25-1-5 for entry back in the final, a finalist that is physically disabled or dead may be entered for purse payment purposes.
7. **TIME TRIALS:** In the event there are fewer than 16 trials all trials may run on one day. In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in time trials will be determined only to the limit of the timer, the only exception is when two or more horses have the same exact time in the same trial heat. Then the order of finish shall also determine the preference in qualifying for the finals. Except in the case of a disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish. Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one hundredth (1/100) of a second, or to the maximum accuracy of the electronic timing device. No adjustments shall be made in the times recorded in the time trials to account for head wind, tail wind, off-track, etc. In the event of a timer malfunction of a trial race, the Stewards will use the technological aide of video frame by frame analysis to assign times to each participating horse in that trial. Every qualifier eligible to enter the final will be required to remain on the grounds and stabled in the barn area of the racetrack after the trials and until the running of the final.
8. **FINALS:** The finalists for the Futurity will be determined by taking the ten (10) fastest times from all the trials. If the number of time trial entries is sufficient as to cause the track to schedule two days of time trials, the five fastest qualifiers from each day will advance to the final. Every qualifier eligible to enter the final will be required to remain on the grounds and stabled in the barn area of the racetrack after the finals and until the running of the trials. The finals will consist of a field of no more than ten (10) horses unless otherwise determined within these conditions. In addition to the pre-entry hair testing, **the fastest 30 qualifiers for the 2021 Futurity based on trial times will be required to comply with collection of another hair sample which will be collected and tested after the trials and prior to entry for the final. Any horse failing to produce a clean hair test free of prohibited substances will not be eligible to enter the Final or the Juvenile regardless of the qualifying time.** In the event ten (10) or fewer horses are eligible prior to the trials, participation in the trials will not be required to qualify for the finals. OQHRA may determine that in the event not more than 12 horses are eligible to enter trials, there may be no trials and a 12 horse gate may be used for the finals with the 11th and 12th place horses receiving no money. Horses running in trials which do not qualify with one of the 10 fastest times to the Futurity Final will be preferred for entry in the Juvenile with preference for fastest non-qualifying times. None of the top 30 horses failing to provide a clean hair test from the post-trial testing will be eligible to enter the Juvenile. No purse money will be paid to Juvenile entries that are scratched for any reason prior to running of the Juvenile. Any remaining purse money with respect to such withdrawn horses will be distributed proportionately to those horses running in the juvenile in accordance with purse distribution percentages.
9. **TIES:** In the event that all trials are conducted on one day and a tie for the 10th fastest time occurs, 11 horses will be allowed to run in the final. If more than two horses are tied for 10th place, the final two positions will be determined by lot. In the event the trials are run over two days and a tie occurs for the 5th fastest time on one day, the same rule would apply. If an 11-horse field is run in the finals, the purse will be adjusted accordingly. No more than 11 horses will run in the final if trials were conducted.

10. **SCRATCHES:** If a horse is ruled ineligible by the stewards or the Oklahoma Horse Racing Commission for entry into either the trials or the final or if the stewards scratch or disqualify a horse from either a trial or the final described herein for a rule violation, such horse may be ineligible for receipt of any purse money. After the entry date for the finals, the purse money that might have been due to such horse will be divided proportionately (based on purse percentages) among the other starters in such race. If, after the entry date for such race, one or more horses are withdrawn from the final for any reason other than ineligibility or a rule violation, the purse monies (in inverse order of finish) equal to the number of withdrawn horses for such race will be distributed equally to the owners of the horses withdrawn from such final. If, prior to the entry date for the final a horse is ruled ineligible for the final as provided above, the next eligible horse may be entered in such race.
11. **JUVENILE:** For two year olds: 300 yards, first preference given to participants in the (futura) time trials based on fastest qualifying times for horses that did not qualify to the Futurity Final then open to all. Scratched horses in the finals of the Juvenile will not receive money. Any remaining purse money with respect to such withdrawn horses will be distributed proportionately to those horses running in the Juvenile in accordance with purse distribution percentages.
12. **NOMINATOR AND BREEDER AWARDS:** Recipients will be notified after the running of the finals and must provide a W-9 to claim their award. Any awards or funds which remain unclaimed at the end of the calendar year in which the race is run will be added to the gross purse for the respective race in the next calendar year.
13. **RACE DATES:** The race sponsor reserves the right to reschedule, postpone, revise the conditions for, or cancel the race for any reason that it deems sufficient. Any nomination to the race may be refused without liability by the race sponsor for any reason at any time prior to the actual running of the final race. If the race is canceled, all nominating and sustaining payments theretofore paid, less the amounts deducted for advertising, accounting, membership and administrative expenses, will be refunded.
14. **CHANGE OF ADDRESS:** The owner of a horse nominated to the race is responsible for notifying race sponsor of the sale of a horse nominated to the race or of a change in the owner's address.
15. **SPONSOR:** The race is sponsored by OQHRA. All disputes as to the eligibility to participate in the trials for this race will be determined in the sole discretion of OQHRA and the decision of OQHRA will be absolute, final and binding.
16. **RACING RULES:** The race date and the race conditions are subject to approval by OQHRA, the racetrack, and the Oklahoma Horse Racing Commission. The decision of the stewards or the Oklahoma Horse Racing Commission in all matters under their jurisdiction will be final. Nominations are accepted only on the condition that those persons nominating or starting a horse in the trials and the final agree to abide by these race conditions, the rules and regulations promulgated by Remington Park, the Oklahoma Horse Racing Commission Rules of Racing (Pari-mutuel), and all other rules, regulations and conditions promulgated by the Oklahoma Horse Racing Commission or any other applicable governmental authority or the race sponsor.

The undersigned has read this document and represents and warrants that (i) he/she is the owner of all interests in the nominated horse or has full authority on behalf of the owner or owners of the nominated to horse to execute this nomination and bind all persons with a legal interest in the nominated horse to the conditions, requirements, restrictions and waivers set forth on this nomination form and race conditions, and (ii) these conditions shall be binding on any future owner of any interest in the nominated horse.
