The calendar and date chart attached are to help you keep track of good thru and safe dates. They are not a guarantee. It is trainer/owner responsibility to determine the best time to have a horse tested and to make the necessary arrangements. OQHRA makes every effort to contact the connections of horses nominated to any futurity or derby out of courtesy. It is your responsibility to know what races your horses will be running in and schedule an appointment accordingly. There will be no "Rush" samples, outside of stakes qualifiers.
