- 6. TIME TRIALS:** In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in time trials will be determined only to the limit of the timer, the only exception is when two or more horses have the same exact time in the same trial heat. Then the order of finish shall also determine the preference in qualifying or the finals. Should two or more trial contestants have the same qualifying time to the limit of the electronic timer for the final qualifying position or positions, then draw by random lot shall be conducted as directed by the board of stewards. Except in the case of a disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish. Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one hundredth (1/100) of a second, or to the maximum accuracy of the electronic timing device. No adjustments shall be made in the times recorded in the time trials to account for head wind, tail wind, off track, etc. In the event of a timer malfunction for a trial race, the Stewards will use the technological aid of video frame by frame analysis to assign times to each participating horse in that trial. The ten fastest times in trials will advance to finals. In the event twelve (12) horses or less are eligible to run in the trials, only a Final may be run. The Final may be run either on the regularly scheduled trial day or Final day at the discretion of the management and /or the race sponsor if applicable. SCRATCHES:** If a horse is ruled ineligible by the stewards or the Oklahoma Horse Racing Commission for entry into any of the races or if the stewards scratch or disqualify a horse from any race described herein for a race violation, such horse will be ineligible for receipt of any purse money. After the entry date for the finals, the purse money that might have been due to such horse will be divided proportionately (based on purse percentages) among the other starters in such race. If, after the entry date for such race, one or more horses are withdrawn from the final for any reason other than ineligibility or a rule violation, the purse monies (in inverse order of finish) equal to the number of withdrawn horses for such race will be distributed equally to the owners of the horses withdrawn from such final. If, prior to the entry date for the final a horse is ruled ineligible for the final as provided above; the next eligible horse may be entered in such race.
- 8. SUBSTANCE TESTING:** As a condition for participation in this race, all horses nominated to OQHRA administered futurities or derbies will be subject to substance testing. All horses, either by the time or performances; which do not meet OHRC or Racetrack Eligibility Rules, will be ineligible.
