2022 Quarter Horse Mystery Futurity and Derby

TERMS AND CONDITIONS:

Oklahoma Quarter Horse Racing Association

As a condition for participation in this race, all horses nominated to OQHRA Administered futurities or derbies may be subject to substance testing by the OHRC. All prohibited medication positives may result in loss of eligibility to participate in trials or finals as determined by OHRC Stewards. If pre-race examination or substance testing prior to or following a race is refused by owner or trainer of eligible horse and results in the horse being ineligible to participate, there will be no refund of payments. Eligible participants will be required to comply with a requirement for hair testing prior to entry if such requirement is imposed by the racetrack and approved by the OHRC.

- 1. ELIGIBLE HORSES:** By making a payment into the Mystery Futurity or Derby, owners are purchasing a berth. The berth is treated as a nomination and the owners continue to make payments as outlined below. For a horse to be eligible to run in the trials it must be owned or leased by the berth owner at the time the horse is named. The horse must be named by August 15, 2022. Only Accredited Oklahoma-Bred Quarter Horse foals are eligible to enter (2020 foals for the Futurity/2019 foals for the Derby). It is the responsibility of the owner and/or trainer to make sure their entry is duly registered and eligible by meeting all conditions as published. Should a horse be declared ineligible, all fees paid in will be forfeited to the purse and not subject to refund.
- 2. PAYMENTS:** Except as provided herein, the failure to make all payments on or before the designated dates will result in termination of the nomination and all prior nominating and sustaining payments will be forfeited. All payments must be postmarked no later than the due dates and should be sent by registered mail. All returned checks constitute no payment. In the event a sustaining payment is late or missed, the nomination will not be terminated if, on or before the due date of the next immediate sustaining payment, the person nominating doubles the payment missed and makes the next sustaining payment on or before the due date.
- 3. SUPPLEMENTARY NOMINATIONS** There are no supplemental nominations allowed at time of entry.
- 4. ENTRY:** Entries in all races must be made through the entry box at Will Rogers Downs by closing time for entries in that race. Each horse must pass entry before running in trials or finals. All regular and usual office charges and jockey fees will be charged by track officials for each entry.
- 5. TRIALS:** A sufficient number of trial heats will be run, the number of horses in each heat to be adjusted depending upon the final entries. If a tie exists the horses involved shall draw lots to determine which shall participate in the finals. The decision of the Oklahoma Horse Racing Commission will be final in all matters.
- 6. FINALS:** Finalists will be determined by taking the ten (10) fastest times from all the trials. In the event ten or fewer horses enter the trials, only those who enter the trials will be eligible for the finals. In the event not more than 12 horses are eligible to enter the trials, there may be no trials and a 12-horse gate may be used for the finals with the 11th and 12th place horses receiving no money.
- 7. SCRATCHES:** If a horse is ruled ineligible by the stewards or the Oklahoma Horse Racing Commission for entry into any of the races comprising the Futurity or Derby or if the stewards scratch or disqualify a horse from any race described herein for a rule violation, such horse **will** be ineligible for receipt of any purse money. After the entry date for the finals, the purse money that might have been due to such horse will be divided proportionately (based on purse percentages) among other starters in such race. If, after the entry date for such race, one or more horses are withdrawn from the finals for any reason other than ineligibility or a rule violation, the purse monies (in inverse order of finish) equal to the number of withdrawn horses for such race will be distributed equally to the owners of the horses withdrawn from such finals.
- 8. SUBSTANCE TESTING:** As a condition for participation in this race, all horses nominated to OQHRA administered futurities or derbies will be subject to substance testing. In addition to the pre-entry hair testing requirement by Will Rogers Downs, every entry for the trials in this race will be required to have a negative hair test for prohibited substances in accordance with the same pre-entry hair test requirements implemented by Will Rogers Downs that was collected within 45 days of the trials for this race. Additionally the owner of the top 15 qualifiers for this race, based on the trial times, agree that they **MAY** be required to provide a negative hair test for prohibited substances, in accordance with the same pre-entry hair test requirements implemented by Will Rogers Downs, after the trials and before the final for this race. A positive result for any prohibited substance will result in loss of eligibility to participate in trials or finals.

By submitting a signed nomination form for this race, the undersigned, by or on behalf of the owner of the nominated horse, the owner's agents and representatives, and the owner's heirs and assigns (including any future owner of the nominated horse) agrees to be subject to and abide by the results of the initial (commonly referred to as the "sample A test") hair testing of the nominated horse and voluntarily and irrevocably waives the following:

- D. Any and all rights to challenge the results of the initial test or resulting denial of entry in the race, whether a qualifying race or final race, directly or indirectly, before any court or other tribunal; and

- F. A report of the result of an unofficial test submitted as a requirement of eligibility for entry is not admissible for any purpose in any OHRC proceeding arising from a positive report of an official test administered by OHRC.

Test results will be reported to the host track officials and notification of positives will be sent to the trainer of the nominated horse. OQHRA will send a list to the racing office of the host racetrack for the specific race(s) to notify them of horses that are eligible to enter races based on the results of hair tests.

- 9. **RACE DATES:** OQHRA reserves the right to reschedule, postpone or cancel the race for any reason which it deems sufficient. Any nomination to the race may be refused without liability by OQHRA for any reason at any time prior to the actual running of the final race. If the race is cancelled, all nominating and sustaining payments theretofore paid, less the amounts deducted for advertising and administrative expenses will be refunded.
- 10. **SPONSOR:** The race is sponsored by OQHRA. All disputes as to the eligibility to participate in the race or place to run the race will be determined by the sole discretion of OQHRA.
