Any prohibited medication positives may result in loss of eligibility to participate in trials or finals as determined by OHRC Stewards. Eligible participants will be required to comply with all hair testing requirements included in these conditions if the conditions are approved by the OHRC.

In addition to the pre-entry hair testing requirement by Remington Park, every entry for the trials in this race will be required to have a negative hair test for prohibited substances in accordance with the same pre-entry hair test requirements implemented by Remington Park that was collected within 45 days of the trials for this race. Additionally, the owner of the top 30 qualifiers for this race, based on the trial times, agree that they MAY be required to provide a negative hair test for prohibited substances, in accordance with the same pre-entry hair test requirements implemented by Remington Park, after the trials and before the final for this race. Any prohibited medication positives will result in loss of eligibility to participate in trials or finals.

By submitting a signed nomination form for this race, the undersigned, by or on behalf of the owner of the nominated horse, the owner's agents and representatives, and the owner's heirs and assigns (including any future owner of the nominated horse) agrees to be subject to and abide by the results of the initial (commonly referred to as the "sample A test") hair testing of the nominated horse and voluntarily and irrevocably waives the following:

- A. Any and all rights to have a secondary or split sample tested,

- C. Any and all rights to contest, under any circumstances or grounds, the results of the initial test or the resulting denial of entry in the race, whether a qualifying race or final race,
- D. Any and all rights to challenge the results of the initial test or resulting denial of entry in the race, whether a qualifying race or final race, directly or indirectly, before any court or other tribunal; and
- E. By their entry into the race, all participants irrevocably waive any legal claim they might have against OQHRA and/or Remington Park, its officers, executive committee members, or its employees arising from or related to the hair testing which is the subject of this paragraph.
- F. A report of the result of an un-official test submitted as a requirement of eligibility for entry is not admissible for any purpose in any OHRC proceeding arising from a positive report of an official test administered by OHRC.

Test results will be reported to the host track officials and notification of positives will be sent to the trainer of the nominated horse. 3. **PAYMENTS:** Except as provided herein, the failure to make all payments on or before the designated dates will result in a termination of the nomination and all prior nominating and sustaining payments will be forfeited. All payments must be postmarked no later than the due date and should be sent by registered or certified mail. The sender's receipt must be date stamped by the United States Postal Service and presented as proof of mailing if date discrepancies occur. Postage metered dates will not be accepted if payments are not received by the due date. United States Postal Service date stamped metered mail will constitute evidence of mailing if dated, mailed, and stamped on or before due date. All returned checks constitute no payment. In the event a sustaining payment is late (the "Late Payment"), a nomination of the Eligible Horse will not be terminated if, on or before the due date of the next immediate sustaining payment (or the entry date if the Late Payment is the last sustaining payment), the person nominating the Eligible Horse pays (a) such next sustaining payment; (b) the Late Payment; and (c) an additional amount equal to the Late Payment. The foregoing provision will not apply to consecutive sustaining payments.
4. **SUPPLEMENTARY NOMINATIONS.** Late Supplemental Entry for Eligible Horses will be permitted prior to trial entry on payment of \$25,000.00 by cashier's check or other immediately available funds on deposit with the Horsemen's bookkeeper at time of entry.
5. **ENTRY:** Entries in all races must be made through the entry box at Remington Park Racing Office by closing time for entries in that race. Nominations to the race do not guarantee the availability of stalls at Remington Park Race Track for nominated horses.
6. **TIME TRIALS:** In the event there are fewer than 16 trials, all trials may run on one day. In the time trials, horses shall qualify on the basis of time and order of finish. The times of the horses in time trials will be determined only to the limit of the timer, the only exception is when two or more horses have the same exact time in the same trial heat. Then the order of finish shall also determine the preference in qualifying or the finals. Except in the case of a disqualification, under no circumstances shall a horse qualify ahead of a horse that finished ahead of that horse in the official order of finish. Should a horse be disqualified for interference during the running of a time trial, it shall receive the time of the horse it is immediately placed behind plus one hundredth (1/100) of a second, or to the maximum accuracy of the electronic timing device. No adjustments shall be made in the times recorded in the time trials to account for head wind, tail wind, off track, etc. In the event of a timer malfunction of a trial race, the Stewards will use the technological aide of video frame by frame analysis to assign times to each participating horse in that trial. Every qualifier eligible to enter the final will be required to remain on the grounds and stabled in the barn area of the racetrack after the trials and until the running of the final.
7. **FINALS.** The finalists for the Futurity will be determined by taking the ten (10) fastest times from all the trials. If the number of time trial entries is sufficient as to cause the track to schedule two days of time trials, the five fastest qualifiers from each day will advance to the final. Every qualifier eligible to enter the final will be required to remain on the grounds and stabled in the barn area of the racetrack after the finals and until the running of the trials. The finals will consist of a field of no more than ten (10) horses unless otherwise determined within these conditions. In addition to the pre-entry hair testing, **only the fastest 30 qualifiers for the 2022 Futurity based on trial times may be eligible and required to comply with collection of another hair sample which will be collected and tested after the trials and prior to entry for the final at a time and location set by the race administrator. . Any horse failing to produce a clean hair test free of prohibited substances will not be eligible to enter the Final or the Juvenile regardless of the qualifying time.** In the event ten(10) or fewer horses are eligible prior to the trials, participation in the trials will not be required to qualify for the finals. OQHRA may determine that in the event not more than 12 horses are eligible to enter trials, there may be no trials and a 12-horse gate may be used for the finals with the 11th and 12th place horses receiving no money. Horses running in trials with 11-30th fastest times (or 6-15 each day) to the Futurity Final will be eligible for entry in the 330 Yard Juvenile with preference for fastest non-qualifying times. None of the top 30 horses failing to provide a clean hair test from the post-trial testing will be eligible to enter the Juvenile. No purse money will be paid to Juvenile entries that are scratched for any reason prior to running of the Juvenile. Any remaining purse money with respect to such withdrawn horses will be distributed proportionately to those horses running in the Juvenile in accordance with purse distribution percentages.

8. **TIES.** In the event that all trials are conducted on one day and a tie for the 10th fastest time occurs, 11 horses will be allowed to run in the final. If more than two horses are tied for 10th place, the final two positions will be determined by lot. In the event the trials are run over two days and a tie occurs for the 5th fastest time on one day, the same rule would apply. If an 11-horse field is run in the finals, the purse will be adjusted accordingly. No more than 11 horses will run in the final if trials were conducted.
9. **SCRATCHES.** If a horse is ruled ineligible by the stewards or the Oklahoma Horse Racing Commission for entry into any of the races or if the stewards scratch or disqualify a horse from any race described herein for a rule violation, such horse will be ineligible for receipt of any purse money. After the entry date for the finals, the purse money that might have been due to such horse will be divided proportionately (based on purse percentages) among the other starters in such race. If, after the entry date for such race, one or more horses are withdrawn from the final for any reason other than ineligibility or a rule violation, the purse monies (in inverse order of finish) equal to the number of withdrawn horses for such race will be distributed equally to the owners of the horses withdrawn from such final. If, prior to the entry date for the final a horse is ruled ineligible for the final as provided above, the next eligible horse may be entered in such race.
10. **OTHER CONDITIONS:** The Oklahoma Quarter Horse Racing Association ("OQHRA") reserves the right to reschedule, postpone, revise the conditions for, or cancel the race for any reason that it deems sufficient. Any nomination to the race may be refused without liability by OQHRA for any reason at any time prior to the actual running of the final race. If the race is canceled, all nominating and sustaining payments theretofore paid, less the amounts deducted for advertising, accounting, and administrative expenses, will be refunded.
11. **TESTING:** As a condition for participation in this race, and subject to approval of the OHRC in accordance with Chapter 45 Prohibited Practices and Equine testing, all horses nominated to OQHRA Administered futurities or derbies may be subject to substance testing by the OHRC. Any prohibited medication positives may result in loss of eligibility to participate in trials or finals as determined by OHRC Stewards. If prerace examination or substance testing prior to or following a race is refused by owner or trainer of eligible horse and results in the horse being ineligible to participate, there will be no refund of payments. All eligible participants will be required to comply with the hair testing requirements in these conditions with no exceptions.
12. **CHANGE OF ADDRESS.** The owner of a horse nominated to the race is responsible for notifying OQHRA of the sale of a horse nominated to the race or of a change in the owner's address.
13. **SPONSOR.** The race is sponsored by OQHRA. All disputes as to the eligibility to participate in the race will be determined in the sole discretion of OQHRA and the decision of OQHRA will be absolute, final and binding.
14. **RACING RULES.** The race dates, conditions, and the amount of added money are subject to approval by OQHRA, Remington Park, and the Oklahoma Horse Racing Commission. The decision of the stewards or the Oklahoma Horse Racing Commission in all matters under their jurisdiction will be final. Nominations are accepted only on the condition that those persons nominating or starting a horse in the trials, or the finals agree to abide by these race conditions, the rules and regulations promulgated by Remington Park, the Oklahoma Horse Racing Commission Rules of Racing (Pari-mutuel), and all other rules, regulations and conditions promulgated by the Oklahoma Horse Racing Commission or any other applicable governmental authority or the race sponsor.
