

2023 March

Special Information – Hair Testing - new for 2023 – A negative hair test is good for 90 days – no “rollover” or “overnight races only” exception. Plan accordingly to retest before the current test expires to be eligible to enter for races – negative test result must be returned before a horse can enter a race – must allow 10 business days for test results to be returned – no exceptions and no rush fees. **Qualifiers for futurities and derbies will still have “Qualifier Testing” on a specific day for that specific race – see calendar.**
