

To: Owners of Horses Nominated to OQHRA Races

Date: October 31, 2023

**Subject: October Race Nominations**

**There has been an update to the 2024 Black Gold Futurity & Fillies races. Sustaining payments have increased to \$500 and there is now a supplemental payment at time of entry of \$25,000. The increased payments paired with \$116,250 added money per race makes the projected purse \$540,000+/- . We have included the updated Black Gold nomination form in this month's mailing.**

We appreciate you choosing to participate in our races and everyone making their payment on or before the 15<sup>th</sup> of the month.

Recurring payments will be automatically deducted on the 15<sup>th</sup> of each month. If you need to drop your horse from the race or stop the automatic deduction, notify OQHRA in writing 5 days prior to the payment due date. The recurring credit card form is included with this nomination list.

If you have any questions regarding the races, payments, or Oklahoma racing in general, please do not hesitate to call our office. If you see an error in horse name, ownership, etc. let OQHRA know so it can be corrected prior to the next payment.
